**MEMBER OF THE STATE ASSEMBLY, 71ST DISTRICT**

**TODD SPITZER**

**OCCUPATION:** Orange County Supervisor

Orange County needs an Assemblymember with the experience and proven ability to get things done while holding government accountable.

I have been your champion against an airport at El Toro. I fought tirelessly to protect and preserve our quality of life. I have repeatedly and systematically battled a county bureaucracy that has spent millions trying to shove an airport down our throats. I was the co-chairman of the successful Measure W campaign. I will remain on the front line and in the trenches against any scheme to bring back an airport.

I've protected your tax dollars and restored the county's fiscal health, made significant traffic relief improvements and increased public safety.

In Sacramento, I will continue my conservative, common sense leadership style. You know I have always put the public interest first and I have never been afraid to "rock the boat" in order to serve you. I will continue to fight taxes, cut bureaucratic waste, champion law enforcement causes and improve our public education system.

My experience includes being a Deputy District Attorney, Reserve Police Officer, high school English teacher and businessman. Supervisor Tom Wilson, Congressman Chris Cox, Assemblywoman Pat Bates and Sheriff Mike Carona endorse me. Our Assemblyman, Bill Campbell, also supports me to replace him in Sacramento under term-limits. The Orange County Professional Firefighters and Association of Orange County Deputy Sheriffs also endorse me.

I would be honored to serve you in Sacramento. Thank you for your vote and your continued trust in me.

**JUDGE OF THE SUPERIOR COURT  
OFFICE NO. 21**

**JOHN ADAMS**

**AGE: 50**

**OCCUPATION:** Civil Attorney

In the unprecedented write-in campaign for this judicial office, I was the voter's top choice. Thanks Orange County.

I'm also law enforcement's choice. I'll be a tough, fair, no-nonsense judge who supports Law and Order, Victim's Rights, Three Strikes, and the Death Penalty. I'm honored to be endorsed by Sheriff Mike Carona and District Attorney Tony Rackauckus.

I'm an experienced attorney, graduate of Stanford Law School and Superior Court Judge Pro Tem. With maturity, skills and the judicial temperament to make sound decisions, I'll work long hours for taxpayers to see that justice is done.

I'm also endorsed by:

Congressmen Cox, Issa, Rohrabacher and Royce.  
State Senators Ackerman, Johnson and Morrow.  
Assembly Members Bates, Campbell, Daucher and Maddox.  
Supervisors Silva, Smith, Spitzer and Wilson.  
Mayors and City Council Members.

Anaheim Police Officers Association, Latino Peace Officers Association,  
Orange County Professional Fire Fighters Association.  
Conservative Women's Leadership Association,  
COPE (AFL-CIO Unions)

I also have extensive business experience. I've founded companies, created jobs and met payrolls. I'll bring wisdom and judgment from "real world" experience in both law and business to every decision I make.

I'm a community leader, husband, father and church member. I'd be honored to receive your vote.

**JUDGE OF THE SUPERIOR COURT  
OFFICE NO. 21**

**GAY SANDOVAL**

**AGE: 50**

**OCCUPATION:** Former Deputy District Attorney

As a Deputy District Attorney for 10 years, I held the hands of molested children and walked them to the witness stand. I assured them that the judge and I would protect them as they testified about how they were victimized. I prosecuted felonies and misdemeanors, child molesters and abusers, and put criminals behind bars.

I started the write-in campaign for Office No. 21, so that there would be no automatic re-election without a name even appearing on the primary ballot.

I have 12 years experience as a lawyer who represents small business owners and as a Judge Pro-Tem. After 22 years as a trial lawyer, I know the courts and the law.

I teach Drug and Alcohol Awareness at Orange Coast College. I was a PTA President, coach, newspaper columnist and raised Guide Dogs. Joe and I have been married 29 years. I grew up in Orange County and we have raised our children here. Maggie attends Stanford and Celinda graduates from high school soon.

The Association of Orange County Deputy District Attorneys, police associations, police chiefs, and judges support me. For endorsements and more about my background, go to [www.SandovalforJudge.com](http://www.SandovalforJudge.com).

Vote for Gay Sandoval for your family's sake.

**JUDGE OF THE SUPERIOR COURT  
OFFICE NO. 22**

**KELLY ANN MACEACHERN**

**OCCUPATION:** Deputy District Attorney, Orange County

Tough - Fair - Supported by Law Enforcement.

For 21 years I've protected our community as a Deputy District Attorney. I've prosecuted hundreds of serious felonies including rape, child molestation, family violence, drugs and gang terrorism. I'm proud of taking violent criminals off the streets, sending them to prison, and being named the association of Orange County Deputy District Attorneys "Outstanding Prosecutor" panel.

Crime victims, police chiefs, cops on the street, elected officials, news media, Republicans and Democrats are behind my candidacy.

Over 75 superior court judges and commissioners urge you to vote for me because they know I'll be a tough, fair, ethical, no-nonsense judge.

My endorsements include:

Former Governor George Deukmejian  
District Attorney Tony Rackauckas  
Sheriff Lee Baca  
The Los Angeles Times  
Congresswoman Loretta Sanchez  
Congressmen Ed Royce, Dana Rohrabacher  
Senators Joe Dunn, Ross Johnson, Dick Ackerman, Bill Morrow, John Lewis (ret.)  
Assemblymembers Patricia Bates, Lynn Daucher, Ken Maddox, Tom Harman, John Campbell  
Shawn Steel, Chair, California Republican Party  
Frank Barbaro, Chair, Orange County Democratic Party  
Supervisors Todd Spitzer, Tom Wilson, Cynthia Coad, and Chris Norby  
Central Labor Council (AFL-CIO Labor Unions)  
Santa Ana Police Chief Paul Walters  
Costa Mesa Police Chief Dave Snowden  
Irvine Police Chief Charles Brobeck (ret.)  
California Organization of Police and Sheriffs (COPS)  
Cypress Police Officers Association  
Latino Peace Officers Association  
Citizens for Law and Order  
Citizens against Violent Crime

The 6,000 member Orange County Bar Association, which evaluates judicial candidates, publicly recognized my qualifications to serve as a Superior Court Judge. The Los Angeles Times endorses me and states She would be fair and impartial. We strongly support her election.

My positions are straightforward: Three Strikes for serious and violent criminals; enforcement of the death penalty, long prison sentences for rapists and child molesters, treatment for drug users but prison for drug dealers, protect Victims' Rights, and give the taxpayers a full day's work every single day.

I grew up in Southern California and graduated from UCLA. I've been married 23 years and live with my husband and children in Orange County where I volunteer with my church, AYSO, Lions Club, PTA and Little League. I'm a Board Member of the National Council on Alcoholism and Drug Dependency, and strongly support community alcohol/drug treatment programs.

The safety of our neighborhoods and schools is my highest priority. Please allow me to continue serving you by electing me as your Superior Court judge.

Thank you.

**JUDGE OF THE SUPERIOR COURT  
OFFICE NO. 22**

**VICKIE ANN BRIDGMAN**

**AGE: 47**

**OCCUPATION:** Deputy District Attorney

Dear Voter,

I came in first in the March primary with 46.6% of the vote because the people of Orange County know that I will be a fair judge, committed to upholding the law and protecting our communities. Judge Donald MacIntyre, a great jurist and combat decorated Vietnam Veteran, endorsed me to fill this judgeship upon his retirement for these reasons.

As a Deputy District Attorney I have earned the support of law enforcement and community leaders, such as our nationally respected Sheriff Mike Carona; Chris Kralick, President of the Orange County Attorneys Association, and Vice President of the California Prosecutors Association; Pete Pierce and Carol Henson, leaders in the Association of Orange County Deputy District Attorneys; and numerous police, firefighters, judges, and elected officials.

I have been through the court system twice as a victim. As a child, I experienced the horror of being molested. As a mother, my heart was broken when a careless driver killed my precious son. I am a leader in the Compassionate Friends, an organization that assists families that have lost children. Victims' rights crusader and "Three Strikes" author, Mike Reynolds, former State Senator, Marian Bergeson, author of the "One Strike" law for violent sexual offenders, and Crime Victims United of California endorse me because I strongly support and understand victims' rights issues. I support the death penalty.

My community activities include serving as President of two Bar Associations, Mothers Against Drunk Driving, the March of Dimes, the Society to Prevent Blindness, and President of Drive S.A.F.E., a non-profit organization that sponsors safe driving assemblies in high schools. My work with the Automobile Club of Southern California helped enact the graduated drivers license program resulting in a 40% drop in deaths and injuries among teenagers from car crashes in California.

My working class parents instilled in me a strong work ethic, American values and good citizenship. I worked to put myself through Cal State Fullerton. I attended law school on a scholarship, graduating as Valedictorian and first in a class of over 300.

I have a strong record of protecting our neighborhoods. My prosecutions include gang members, drug peddlers, rapists and robbers. I am currently among a select few deputies assigned to prosecute white-collar crime cases.

I have worked, worshipped and raised my family in Orange County. I will be a hardworking, ethical and commonsense judge. I respectfully request your vote.

**JUDGE OF THE SUPERIOR COURT  
OFFICE NO. 27**

**GLENDA SANDERS**

**OCCUPATION:** Trial Attorney/Law Professor

Why should you vote for me?

Not just because Sheriff Mike Carona, District Attorney Tony Rackauckas, and the Orange County Professional Firefighters endorse me.

Not just because the Orange County Bar Association has given me its top rating of "Highly Qualified."

Not just because Judge Robert Monarch has retired from this Office No. 27 and has endorsed me as his successor, or because dozens of other judges, including Assistant Presiding Judge David McEachen, Judge Nho Trong Nguyen, and Judge Stuart Waldrip (Ret.), are united behind my candidacy.

Not just because the L.A. Times concluded in March that "... Sanders is the most impressive candidate seeking a seat on the Superior Court Bench in Orange County this election and should be an outstanding judge."

Not just because you have already supported me with the highest number of votes in the March primary.

Not just because I have both criminal and civil experience, having practiced as a trial attorney, a Special Assistant Deputy District Attorney in Orange County, and as a partner in the Orange County office of Latham & Watkins, a nationally recognized law firm. During my 20 year legal career, my cases have included capital homicides, kidnappings, gang-related cases, family law disputes and complex civil disputes.

Or because I am involved in our community, having served on the boards of charities like Human Options, which helps those affected by domestic violence, and Girls' Inc., which promotes healthy after-school activities among teenage girls.

Or because I have taught law at Chapman University Law School, where President Jim Doti and Law School Dean, Parham Williams, endorse my candidacy.

Ultimately I believe I deserve your vote because, as a committed member of this community and the mother of two children, the proper enforcement of our laws and the safety of our neighborhoods are paramount concerns for me. I support the Three Strikes Law and the death penalty in appropriate cases. I have spent hundreds of hours providing free legal advice to victims of fraud, and I fully support Victims' Rights.

In addition to those above, my endorsements include:

United States Representatives Christopher Cox, Loretta Sanchez and Ed Royce; State Senators Dick Ackerman, Lou Correa, Joe Dunn, and Ross Johnson; Assemblymembers Pat Bates, Bill Campbell, John Campbell and Ken Maddox.

With your vote I will work diligently to support law and order for you and your family.

**PUBLIC ADMINISTRATOR**

**JOHN S. WILLIAMS**

**AGE: 51**

**OCCUPATION:** Law Enforcement, Administrator, Trustee, South O.C. Comm. College District/Businessman

I believe the Public Administrator's office must fight to enact stronger safeguards protecting the public, especially Senior citizens.

The Public Administrator should be an advocate for all persons in Probate.

Traditionally, the Public Administrator and Public Guardian have been one person. This combination can help prevent in Orange County the abuses occurring in Riverside County where a conservator, her attorney and the judge hearing the cases stole millions from defenseless Senior Citizens under their care.

If elected Public Administrator, I'll support the 2001 Orange County Grand Jury recommendations for criminal background checks on all potential conservators.

I'm the only candidate for Public Administrator endorsed by Sheriff Mike Carona and the Peace Officers Research Association of California (PORAC).

I'm a 20+ year career police officer/law enforcement administrator – administered safety/security – Santa Ana Courthouse.

My concern is for public risk when anyone, without qualifications, training, accountability can be appointed court conservator gaining control over private bank accounts/property/assets of the elderly, infirm, disabled.

In addition to my law career, I'm a 3-term community college trustee/board president, elected by voters (1992, 1996, 2000) to oversee 2 college campuses, 2,000 employees, 35,000 students, \$150 million budget.

As a college trustee, I've served on the Orange County Legislative Task Force and California Commission on Legislation and Finance.

I earned a Master's Degree in Public Administration – Pepperdine University.

Endorsements include Police/Fire Associations from; Anaheim, Brea, Costa Mesa, Cypress, Fullerton, Garden Grove, Huntington Beach, Irvine, Laguna Beach, Newport Beach Police, Fire, Marine Safety, Orange, Placentia, Santa Ana, Seal Beach, University Police, Westminster, Orange County Fire Authority, Probation, Sheriff Special Officers.

Additionally, elected/community leaders support me, including; United States Congressmen Ed Royce, Dana Rohrabacher, Senators Bill Morrow, Dick Ackerman, Ross Johnson, Assembly members; Patricia Bates, Bill Campbell, John Campbell; Orange County Supervisors Chris Norby and Jim Silva; Coast Community College Board President Armando Ruiz, USC Football Legend Anthony Davis, California Women's Leadership Association, Seniors and Veterans for Education.

I live in Mission Viejo with my wife of 31 years, a teacher, two children. We attend Saddleback Church. I grew up in a family of 7 children and over 200 foster children.

I have the experience and qualifications listed above to reform our Public Administrator's office, support Grand Jury recommendations and fight for tough legislation. With the support of Senator Bill Morrow, I will protect citizens' rights and assets.

My qualifications include the knowledge and experience of three years as Assistant Public Administrator, a Bachelors degree from California State University, Sacramento, and a Masters degree in Public Administration from University of Southern California.

My responsibilities include managing a professional staff that protect the property of those who die in Orange County with no family or will. We also locate relatives, arrange burials, pay bills, and perform other services consistent with the wishes of the dead.

I am committed to prudent management of your tax dollars, complete and accurate record keeping, protection of privacy and confidential data for the individuals and families served, and the highest level of honesty and integrity.

My endorsements include the current Public Administrator, the Association of Orange County Deputy Sheriffs, many City Council members, three Orange County Supervisors, and the Orange County Auditor.

**IRVINE UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**SHARON WALLIN**

**AGE: 49**

**OCCUPATION:** Governing Board Member, Irvine Unified School District

When appointed to the Irvine Unified School Board, I pledged to work hard to strengthen our schools by promoting sound fiscal policies and high-quality classroom education.

Since then, my board colleagues and I have balanced the budget, resolved contract negotiations with our teachers, and hired a highly qualified superintendent.

There's more to do. We must enhance the strengths that have distinguished IUSD by working harder to:

- Attract and retain the best teachers;
- Provide safe learning environments;
- Manage our limited resources efficiently;
- Create opportunities so all students can reach their highest potential.

My immediate goal is to solve our school funding crisis. We must identify and establish funding priorities within our own budget while vigorously pursuing Irvine's fair share of the state's education monies. We must also demand full, not partial, funding for federally mandated programs.

My family and I have lived in Irvine for 23 years. During those years, I have received Irvine's Parent Volunteer of the Year award, served on numerous PTA executive boards, school site councils, IUSD Finance Committee, and countless district-wide task forces. I now proudly serve as a member of IUSD Board of Education. I would appreciate your vote.

**IRVINE UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**STEVEN S. CHOI, PH.D.**

**OCCUPATION:** Governing Board President, IUSD; College Professor; Director, Dr. Choi's Academy

Dear Irvine voters and parents:

Thank you for allowing me to serve you these last four years as a Board Member and President of the Irvine Unified School District. Throughout, you have provided me with strength and sound advice. Despite the budgetary battles of the past few years, Irvine schools have continuously boasted the highest academic achievements in the County. The District remains one of the top performers in the State.

School issues are certainly complex, and finding appropriate solutions is a challenge. Experience and wisdom are needed to address those issues. The past four years have provided me with excellent "training" and I would like to make the best use of it.

As a balanced conservative, I will continue to strive for our school children and the District to:

- Achieve Top Ranking Academics
- Keep Our Schools Safe
- Realize Fiscal Stability

I ask that you support me in accomplishing these goals. You, the voters, are the source of my strength and courage. As an experienced and prepared incumbent, I promise to continue to deliver the very best service and leadership. You can trust me.

May I count on your vote?

God Bless You.

**IRVINE UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**RUTH SANCHEZ**

**OCCUPATION:** Wife, Mother & Businesswoman  
PTASG President, Association Board Member.

The truth is I am passionate about what I do. Irvine needs and wants passionate leaders to get the job done.

My husband Stephen, and I, with our children Meghan, Nathaniel, Timothee and Veronica, have lived and attend church in Irvine since 1994. Our experience in this great district has given me two years as PTASG President at Los Naranjos Preschool, and eight years serving as Chairperson and Committee member in various positions at Alderwood Basics Plus. Also, serving as a Board Member for the Yale Association since July, 2001. At UCI Child Development Center our family has done extensive volunteer work for children with special needs.

Honors include: Congressional Gold Medal Award 1986; Los Angeles Olympic Organizing Committee; Who's Who Among Students in North American Junior Colleges; LBCC Viking Award; LBCC Woman of the Year Nominee.

We need to make up for what the government has taken away. We will build working relationships with Irvine Teachers, Parents, and Students.

I support the parcel tax.

I will fight for equitable funding.

You can't have more fun than serving your public.

These are our children, our future, and our responsibility. I humbly ask for your vote and the privilege to serve you.

**IRVINE UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**MARK S. SCHUK**

**OCCUPATION:** Design Engineer

My name is Mark Schuk. A resident of Irvine for 8 years, I am a father of two. My first has just started kindergarten. I favor excellence in Irvine's public schools for all children. Fair and equal access and funding.

I support IUSD gaining "equalization" in State funding. I will not support a tax increase or bond issue by IUSD. First an ethics code is sorely needed to stop IUSD from hiring its former employees as consultants/contractors. No more golden parachutes. Individuals involved in this activity raise suspicion of payoffs and are being fiscally irresponsible, especially considering the financial condition of the district.

I support neighborhood schools. It's the foundation that Irvine was built on. Closing one school, to open a newer school in a "New Development" raises some questions of possible wrong doing.

All of the above have destroyed the public trust, and continue to damage the district's reputation.

I have not and will not accept donations, money or endorsements from any groups or individuals. I will be a public servant to all of the voters and taxpayers of Irvine, not owing favors or special consideration to any "One".

Thank you for your vote.

**IRVINE UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER, SHORT TERM**

**MICHAEL D. HAGGIN**

**AGE: 57**

**OCCUPATION:** Professional Fundraiser

The IUSD Board needs a clear and unequivocal commitment to maintaining and extending the excellencies that made IUSD famous.

This Board has repeatedly cut features of IUSD excellence. In 2002 it has no plan to retain or extend these excellencies. It blames Sacramento for its own failures.

We demand fairness in equalization and in funding for special education, but we can't expect Sacramento to provide resources needed to keep IUSD schools better than those of neighboring districts. Our Board must accept the need for local resources.

The parcel tax has been repeatedly rejected. The people have repeatedly raised millions to save excellencies that this Board voted to cut. We pay premiums to live here, so our children's education has a priority claim on family resources.

The Board must mark the excellencies which we will maintain and extend through voluntary giving. Board members must be fully, actively, and personally committed to raising the money.

My vocation:

Presbyterian minister raising money for overseas medical missions

My education:

Public schools; A.B. Harvard; M.Phil. & M.Div. Yale

My children in IUSD:

A daughter at Eastshore Elementary, a son at Lakeside Middle School.

My commitment:

'Private school' quality throughout IUSD ... no excuses.

**IRVINE UNIFIED SCHOOL DISTRICT

**BILL GRAY**

**OCCUPATION:** Attorney

My name is Bill Gray. I am running for School Board. I have lived in Irvine for 15 years. My wife is a teacher and coach in Irvine and my children attend school in the District. I am an attorney and former police officer. I volunteer my time to youth athletics as a coach, referee, manager and umpire. I have served on the Boards of Little League and the Woodbridge High Booster Club.

Irvine has a tradition of excellent schools. I seek to maintain that high standard. To do that I will listen to you, the members of the District. Together we can maintain the tradition. I pledge to work with the rest of the Board and the legislature to obtain Irvine's fair share of educational dollars from the State.

Education is about the kids. Elect me and I will not forget that. I will work with the teacher's representatives to get the teachers what they need to teach. I will work the parents to maximize the learning environment in the schools. I will work with District staff to upgrade current facilities and plan for the future growth of Irvine.

Together, we can make the District work.

**IRVINE UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER, SHORT TERM**

**DEBBIE COVEN**

**OCCUPATION:** Public Affairs Consultant

Irvine schools have earned a reputation for academic excellence. But maintaining high standards requires resources, and Sacramento uses arcane funding formulas that short-change our schools by several million dollars every year.

As a result, our schools are in jeopardy. Last spring, an elementary school was closed and Irvine teachers were threatened with layoffs because of budget shortfalls. Meanwhile, parents, students, and teachers were forced to organize emergency fundraising to save cherished programs. We simply must do better. We must secure our fair share of education dollars from Sacramento, and establish permanent funding for our schools. And we must be more efficient in directing resources to the classroom.

I believe I can help. Through my experience in a State Senator's office, the Governor's office, and UCI's Office of Government Relations, I have developed valuable relationships at all levels of government. I understand the need for strategic planning and the value of education. My parents never had a chance to attend college, but fortunately I did. I graduated from UCLA and earned a Masters degree from USC.

If elected to the School Board, I'll work hard every day to make sure that Irvine's children receive the excellent education they deserve.

**IRVINE RANCH WATER DISTRICT  
DIRECTOR**

**BRIAN J. BRADY, P.E.**

**AGE: 53**

**OCCUPATION:** Water Resources Engineer

For the past four years I've been privileged to serve you as an Irvine Ranch Water District (IRWD) Director, currently as Board President. Last year I was selected as District representative to Orange County Sanitation District's Board of Directors as well, where I serve on the executive steering committee.

My present consulting practice (based upon thirty years of professional experience including managing both public and private water and electric utilities) focuses on assessment of water utility management and valuation of utility assets. A registered Civil Engineer in California, I'm a graduate of Loyola University (BSE, Water Resource Management) and University of Southern California (MBA, Finance). My doctoral research underway at Pepperdine University's Graduate School of Education and Psychology (Organizational Leadership) probes skills required of elected directors.

These past years we've experienced significant innovation and increased efficiencies at IRWD. I pledge to build upon these successes, ensuring that our families and businesses continue to receive high-quality water at the lowest possible cost. To do that, I believe we must develop and protect our groundwater resources, make fiscal responsibility a guide in decision-making; and recognize that a safe, reliable water supply and prudent environmental stewardship are critical to our continued prosperity.

**IRVINE RANCH WATER DISTRICT  
DIRECTOR**

**PEER A. SWAN**

**AGE: 58**

**OCCUPATION:** Management Consultant

As a 22 year Director of IRWD, I have played a large role in making the district a nationally recognized leader. We pioneered the use of recycled water, actively promoted water conservation, initiated a funded program to replace and refurbish facilities and equipment, and adopted an innovative and low cost bond financing program. IRWD has improved from being 95% dependent on expensive imported water to having a majority of its supply local groundwater that is more reliable and less costly.

I actively supported the creation of the San Joaquin Wildlife Sanctuary where urban runoff is naturally treated, while providing needed habitat and a place of enjoyment for the public.

All this has been done with the average monthly bill less today than it was 22 years ago, the lowest water rate in the County.

I was a Founding Director and for four years Chairman of the National Water Research Institute which promotes increased scientific research to improve water quality and reliability.

I pledge my continued commitment to keep IRWD an innovative leader dedicated to providing the most reasonably priced quality service in a manner consistent with the high standards of the community we all live in.

Please Re-elect Peer Swan

**ORANGE COUNTY WATER DISTRICT  
DIRECTOR, DIVISION 5**

**JAMES BARONE**

**AGE: 48**

**OCCUPATION:** Business Owner

Last year, the wells that provide much of our drinking water were shut down due to contamination violating guidelines of the California Department of Health Services. The Orange County Water District (OCWD) convinced the State to allow it to turn the wells back on without informing the public. I feel this is wrong and any contamination in our drinking water is too high.

In addition to providing clean water and protecting the County's groundwater basin, OCWD is a business with a budget of approximately \$80,000,000 and almost 200 employees. Just as private business is not always managed properly, as we saw with Enron and Arthur Andersen, the same can happen in government where cronyism among entrenched bureaucrats and officials is not uncommon.

The incumbent leaves under a cloud of suspicion, accusations of conflicts of interest and closed-door negotiations. I will work to eliminate any back-room deal making and restore faith in the institution charged with providing clean drinking water.

I pledge to:

Increase testing of our drinking water

Provide contamination free drinking water at the lowest rates possible

Ensure a free flow of information as it relates to your interests.

Please vote for James Barone on November 5, 2002.

**ORANGE COUNTY WATER DISTRICT  
DIRECTOR, DIVISION 5**

**PAUL COOK**

**OCCUPATION:** Water Resources Engineer

To sustain our quality of life in Orange County, a clean, safe and reliable supply of water must be ensured. I have devoted my professional career to resolving water resource issues, and now hope to represent the citizens of Orange County in taking on this responsibility.

I offer my experience of over sixteen years in the water and construction industries. I have been responsible for the implementation of numerous water improvement projects. I have a Master's Degree in Environmental Engineering from California State University Long Beach, and am registered as both a Professional Engineer and licensed general contractor in California.

I am currently employed as District Engineer for West and Central Basin Municipal Water Districts, providing water to more than 2.5 million people. Having earned an MBA from the University of California, Irvine, I also understand the practices by which a good public agency, like a good business, should operate.

I believe that with the right leadership, the Orange County Water District can meet local water needs. But future challenges in maintaining the quality and supply of water must be addressed now by leaders that understand the water business and will make the right decisions.

**ORANGE COUNTY WATER DISTRICT  
DIRECTOR, DIVISION 5**

**TIMOTHY J. OWEN**

**AGE: 46**

**OCCUPATION:** Investment Banker/Advisor

As a 5th generation Californian, Tim was raised in the water business. His father, as secretary-manager and 19 year Board member, both encouraged and educated Tim in the instrumental role and paramount importance of water in our community and lives. Tim's experience within the water industry ranges from financial consulting to public companies and agencies to analysis and recommendation of individual securities to both individual and institutional investors.

Tim is very concerned with the lack of water development countywide. The current depletion of the groundwater table could eclipse the energy crisis of recent. His business acumen and veracity in current water issues could contribute the needed solutions for future generations.

Currently the Orange County groundwater basin is overdrawn 450,000 acre-feet verses 650,000 acre-feet in 1950, when wells dried up and agriculture was abandoned. Solutions to restore the groundwater basin would include desalinization, importation and conservation.

Tim Owen's leadership and board experience with business, community, and non profits would be valuable to our community. Living in a semi arid desert zone, water of adequate quantity and quality is one of the most important aspects of continuing to fuel the Orange County economy.

**COUNTY OF ORANGE  
IMPARTIAL ANALYSIS BY COUNTY COUNSEL  
MEASURE A**

The proposed ordinance would repeal the existing Orange County Campaign Reform Ordinance, and reenact it with certain changes. The significant changes are indicated in *italic type* below.

The proposed ordinance would prohibit campaign contributions for County office in excess of \$1,000 for each of the following elections: primary, general, special, or recall. The same limits would be imposed on contributions to persons or committees that make specified independent expenditures in County elections.

In applying the \$1,000 limit, the following contributions would be added together: a sponsored committee and its sponsor; a corporation and an individual who owns a specified controlling interest in the corporation; a partnership and an individual who owns a specified interest in the partnership; entities that share a majority of directors, or multiple officers, or are owned by the same majority shareholder(s), or are parent and subsidiary; *a business entity and an individual connected with that entity who participates in a decision by the entity to make a contribution*; and in most cases, contributions of minors and their parents or guardians. *Contributions of spouses would not be added together. A husband and wife could each contribute \$1,000. A campaign contributor would be required to disclose to the candidate or committee any other contributions made under a different name that are required to be aggregated with the current contribution.*

A County candidate or officeholder could have only one campaign committee and one campaign bank account from which expenditures can be made. There could be no interlocking committees.

Different candidates could not transfer funds between themselves and their committees. *However, a single candidate could transfer funds between his or her own accounts, subject to the contribution limit of \$1,000 per person per election.*

*Late independent expenditures would have to be reported to all County candidates running for the office to which the independent expenditure relates. Candidates would be required to file a post-election Campaign Statement within 15 days of an election, and to file required amendments to Campaign Statements by a specified deadline.*

The proposed ordinance would prohibit solicitation or receipt of contributions by county officials and employees from persons who have proceedings before those officials or employees. *It would require the Registrar of Voters to provide County candidates and officeholders with a copy of the Campaign Reform Ordinance.*

Violations of the ordinance would be subject to misdemeanor prosecution and civil actions for specified penalties and injunctive relief. *In addition, the Board of Supervisors could establish an administrative procedure for the resolution of alleged violations and the collection of specified penalties.*

The ordinance could be repealed or amended only by a majority vote of the County electorate, except that the Board of Supervisors could impose additional requirements. *The Board of Supervisors would no longer have the power to adjust the contribution limitations for changes in the consumer price index.*

**The above statement is an impartial analysis of Measure A. If you desire a copy of the Measure, please call the Registrar of Voters office at (714) 567-7600 and a copy will be mailed at no cost to you.**

**ARGUMENT IN FAVOR OF MEASURE A**

Measure A is a revision to the County's Campaign Reform Ordinance, also known as the TIN CUP ordinance initially enacted in 1978.

Measure A WILL NOT change the current contribution limit of \$1000 per person per election. It will, however, prohibit the Board of Supervisors from increasing the contribution limit in the future without voter approval.

TIN CUP is the most successful local campaign contribution ordinance in the State of California. The law works so well, you never hear any complaint about it. However, experience and recent court decisions have made it necessary to make revisions in order to improve its effectiveness and enforceability. The areas of improvement consist of preventing evasion of the contribution limit by State Mailer Organizations and other entities making independent expenditures.

The reporting requirements are also being increased. For the first time, candidates running in an election will be required to file a timely post-election campaign statement disclosing campaign contributions and expenditures made just before and just after election day.

Voters throughout the county and the state have consistently supported contribution limits. Runaway election costs have been deterred by limiting contributions from individuals, businesses, political action committees, and other third parties. The limit has been particularly beneficial to those entities seeking contracts, permits and project approvals with the County because they are no longer subject to requests for **unlimited** campaign donations. It has also caused candidates running for County office to broaden their financial base by seeking more, but smaller, contributions from their constituents, which gives the general public a bigger voice in the election of county officials.

Measure A is the best means we have to minimize the influence of large campaign contributions on decisions made by our elected officials.

**We urge every voter to vote YES on Measure A.**

**COUNTY OF ORANGE  
IMPARTIAL ANALYSIS BY COUNTY COUNSEL  
MEASURE B**

This measure asks the voters to advise the County Board of Supervisors whether the Board should demand from the Department of the Navy as the present owner of the real property formerly operated as Marine Corps Air Station (MCAS), El Toro, that, prior to transfer of ownership or sale of the former Marine Corps Air Station at El Toro, the Department of the Navy:

1. Provide a complete and thorough study of the toxic contamination found or expected to be found at MCAS El Toro that addresses the inconsistent findings of the prior studies provided by the Department of the Navy, the County's GeoSyntec report, and the referenced City of Irvine study;
2. Provide funding to pay for remediation costs necessary for MCAS El Toro's intended use, including identification of funds to complete removal of all toxic contamination;
3. Identify funds to reimburse the community for any direct or consequential damages or costs the community incurs as a result of contamination; and
4. Complete the actual clean up and remediation of MCAS El Toro prior to its transfer or sale.

As an advisory measure, this measure would have no legal force or mandatory effect. If approved by the voters, the measure would advise the Board of Supervisors that the voters desire that the Board make the demands noted above. It would not require the Board of Supervisors to make the demands, or the Department of the Navy to comply with the demands, if made.

A yes vote indicates that the voter desires that the Board of Supervisors make the specified demands.

**FISCAL IMPACT STATEMENT  
MEASURE B**

Fiscal Impact Statement Pursuant to Section 9160 of the Elections Code Regarding the Advisory Measure Concerning Clean Up of Toxic Contamination/Carcinogenic Pollutants and Public Health and Safety at MCAS, El Toro

Because this measure is advisory, it is not binding on the Board of Supervisors to make the demands it provides, nor does it require the Department of the Navy to comply with those demands, if made. Accordingly, there is no direct fiscal effect to the general fund of the County of Orange. However, if the demands were made and the Navy complied, the stream of property tax revenues that may occur due to development would be less subject to risk. Realization of these revenues could be postponed due to delays in the development resulting from the discovery of previously unknown contaminants. Neither the value of these potential tax revenues nor the likelihood of uncovering additional contaminants can be reasonably estimated at this time.

s/ David E. Sundstrom, CPA  
Auditor-Controller

**ARGUMENT IN FAVOR OF MEASURE B**

Please support the Orange County referendum to encourage the Navy to not sell any of the closed and contaminated MCAS, El Toro until it clean of toxic waste and meanwhile create a self-supporting, self-cleaning, private-sector-economy stimulating, "Bren National Park" that included:

(1) a broad wildlife habitat corridor for the California mountain lion and its food chain... joining:

- (a) Chino Hills State Park,
- (b) Prado Dam Flood Basin,
- (c) Cleveland National Forest,
- (d) Don Bren 53,000 acre "nature preserves", and
- (e) Crystal Cove State Park

(2) a lease-paying, five-star luxury California Mission style destination-resort/lodge concession,

(3) a lease-paying university concession, e.g. managed by Fullerton Junior College,

(4) a lease-paying reasonable-international-nonintrusive-"V" configuration-airport (<http://www.ocxeltoro.com>) concession, e.g. managed by Los Angeles World Airports (LAWA) with its international airline treaties,

(5) subsidized low-cost housing and office-space/facilities for:

- (a) park rangers,
- (b) fire fighters,
- (c) university professors & staff
- (c) lodge and airport workers,
- (d) INS and Customs officers,
- (e) federal security inspectors,
- (f) air-cargo sorters/students,
- (g) US Postal Service workers,
- (h) low-paid airport/airline workers and
- (h) the Nature Conservancy managers of the 53,000 acre "Nature Preserve" created by Don Bren in combination with the Cleveland National Forest.

Lease payments from concessions can be split appropriately between the on-going federal Superfund clean-up and water-quality costs; low cost housing subsidies; MCAS, Tustin-Hanger, veteran-museum costs; and the Orange County General Fund for wild-fire protection and local community parks.

- **How do I vote my ballot?** Follow the directions enclosed with your absentee ballot. Be sure your signature and address are on the return envelope. Your ballot will not be counted if there is no signature on the return envelope.
- **When do I have to return my absentee ballot?** Absentee ballots sent to the Registrar of Voters office must be received before 8 p.m. on election night to be counted. If you are worried that your ballot may not arrive in time by mail, you may bring it to the Registrar of Voters office any time prior to 8 p.m. on election day. Or, you may return your absentee ballot to any polling place in Orange County up until 8 p.m. on election day.
- **What should I do if I cannot return my absentee ballot myself, and it is too late to send it in the mail?** You may authorize a relative (spouse, child, parent, grandparent, grandchild, brother, sister, or other person living in your household) to return your ballot. Be sure to complete the authorization information on the return envelope.
- **If I lose the ballot sent to me, can I get another one?** Yes. Call the Registrar of Voters office at (714) 567-7561 and ask that a second ballot be sent to you. Or, you may go to your regular polling place and vote a provisional ballot.
- **If I request an absentee ballot, can I change my mind and vote at my regular polling place?** Yes, but you must surrender your absentee ballot with the envelope to the poll worker before voting a regular ballot. If you are unable to surrender your absentee ballot, you may still cast an absentee provisional ballot at your polling place. However, that ballot will not be counted until it can be determined that you have not also voted by absentee ballot.
- **Can I apply for permanent absentee voter status?** Yes. Anyone can apply for permanent absentee voter status. When you are applying for your absentee ballot, simply check the box on the absentee ballot application found on the back cover of this sample ballot pamphlet and return it to the Registrar of Voters office. Please read the important information on the inside back cover before you apply.
- **Provisional Voting!** If your name does not appear on the list of voters at the polling place, you are entitled to vote a “provisional” ballot. You may be asked to show proof of your residence address. A provisional ballot is the same as a regular ballot. However, election officials are required to verify a voter’s registration before counting provisional ballots. If you are required to vote by provisional ballot, the poll workers at your polling place will be able to assist you.
